BERRYESSA CHINESE SCHOOL

CHINESE II

GRADES: 9, 10, 11, 12

PREREQUISITES: CHINESE I

COURSE DESCRIPTION

The second level of the Chinese language begins with a systematic review of the materials presented in CHINESE I. Subsequent units present new material to provide greater depth in the skills of reading, writing, listening comprehension and speaking. More in depth understanding, evaluation and appreciation of the Chinese culture is emphasized. Subjects pertaining to Chinese history, geography and literature are integrated into the language curriculum.

MAJOR OUTCOME

Student will:

1. Learn additional Chinese character, understand, write and accurately pronounce approximately 600 characters.
2. Continue to improve on language mechanics.
3. Continue to improve listening and comprehension skills through drills and practice.
4. Continue to improve fluency of speech through practice, role playing and speech project.
5. Read and understand stories, texts, essays and literary selections.
6. Participate in class discussions and do special projects.
7. Write simple sentences and short paragraphs on given topics/pictures using the writing process (pre-writing, revising, editing and sharing etc.)
8. Study and recite classical poems and literary pieces.
9. Learn simple Chinese proverbs and idioms.
10. Study Chinese history and geography as integrated in the language curriculum.
11. Recognize the relevance of Chinese heritage.
12. Integrate Chinese culture into the mainstream society.

METHOD OF EVALUATION

Student progress will be monitored regularly based on attendance, class participation, homework assignments, teacher made tests, final examination, special projects and speech presentation.

TEXTBOOK

1. OVERSEAS CHINESE LANGUAGE, new American Continental edition, revised 1984, by Chi Sheng Book Co., Hong Kong, volumes 5-7.
2. CHINESE LANGUAGE ARTS, (identity, needs, interaction), by Asian American Bilingual Center, book 2.

SUPPLEMENTARY MATERIAL
