Berryessa Union School District has done an excellent job with past funds, as all past projects have been completed on time and on budget. We have confidence that Measure U will be the same. Join me in voting YES on U for Berryessa students."

# SAFETY FIRST

# STUDENT SAFETY Is Our Top Priority in Berryessa Union School District

## Aging Schools Need to Be Updated

There is nothing more important than the safety of our children when they are at school. Although some classrooms have been updated recently, many have not been improved in decades. Facility improvements and upgrades are needed to ensure that local elementary and middle school students receive a high-quality education in safe and up-to-date classrooms.

## YES on U: Ensure Student Safety

Measure U will upgrade schools with access control, security cameras and alarm systems and make the necessary safety improvements so all schools are up to the same standards. We cannot rely on the State to provide the funding our schools need to be safe and up-to-date. Our students are counting on us.
