- Each “Better Chinese” Volume will be used for two CFL levels

1. Do not pay in cash. Write a check payable to “BCS” and write down the student’s ID number, English name, and class. Your class representative will collect the check.
2. Class fee is not collected by BCS. The class fee amount varies from class to class. It’s a fund agreed among all parents. The amount can be paid to your class rep.
3. Parent Reps please collect all the book fees from each parent.

*Due to the rising costs and lower headcount, BCS will not be distributing Class Materials Fee of \$25 per student to the teacher this year. Some teachers may still need those fees. We still can help teachers get them by class rep collecting the recommended \$25 class fee per student and managing the class material fund.

Wish you all an enjoyable and successful new school year!
